Lawrence J. DeNardis President

To the Class of 2003:

I want to express my sincere congratulations to you on the successful completion of the requirements for an academic degree at the *University of New Haven*. The educational foundation that you have received from our knowledgeable and dedicated faculty and your own diligent efforts will serve you well as you move on to pursue your careers and personal lives.

It has been our goal to prepare you for meaningful roles and lifelong learning in a global society. A society which now faces greater promise and yet more daunting challenges than ever before.

We have given you our best efforts and now we extend our best wishes to you. We know you will continue to strive to achieve laudable professional and personal goals for the benefit of those near and far, and, in doing so, will reflect positively on the *University of New Haven*.

Good luck and Godspeed.

Sincerely,

Lawrence J. DeNardis
President

Constance Amato USGA President

To the Class of 2003:

Looking back to our freshman year, I never really took anyone seriously when they said that the next four years were going to fly by and to enjoy every minute that I had here. Who would have known that I would be sitting here four years later thinking about that statement and wondering where all the time had gone and if I truly had made the most of it. I fortunately can say that I found my home at UNH and have made the most of my experience here, as I hope that you have. It is going to be a difficult time to move forward with whatever plans that our lives have in store for us, but I need to stress one thing, don't forget where you came from. If I could wish one thing for everyone of you is that you are successful and happy in whatever it is that you decide to do. I have truly been fortunate to be in this position and I thank you all for the experience. Congratulations and best wishes.

To the University as a whole:

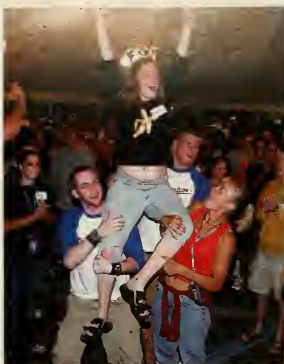

At the end of every storm there is a rainbow, hold on tight, and enjoy the ride! The time that you have here really does go by in the blink of an eye. I hope this year has been as fulfilling for you as it has been for me. I thank you from the bottom of my heart for the opportunity that you have given to me to represent you. I wish all of you the best of luck, and I can't wait to see what is in store for this University in the years to come.

Sincerely,

Constance Amato
USGA President 2002-2003.

ORIENTATION

"It's a Whole New Ballgame" was the theme of Orientation this year. The Class of 2006 spent the first few days at UNH settling in and making new friends. They also received pointers on their game from upperclassmen who volunteered their time to be Orientation Leaders. In just 4 short years the new additions will be managing the team.

What the Freshmen really thought:

Shantel Holmes
Emilie Cenatiempo

Ray Esposito

Shalimar Ramos

Frankie Penney
Chris LeBaronn

"Orientation was helpful in getting to know people on campus."

"Orientation was well organized and the theme was pretty clever."

"I thought Orientation was sweet but corny. It brought my intimidation of college down and released tension."

"Orientation was very, very, very long. Helpful, but long. Two days would have been nice."

Left: "I hope Survival 101 isn't at 8am."

Left: The freshmen are all tied up but at least they're smiling."

Below: "We're in college now...see, we can stand in a line."

Above: You thought you only did this at camp... just wait until you get to Grad school!

Left: "Ahhh... relaxin' in the shade of the tent."

Left: "Doesn't my tuition pay for someone to do this?"

Let the Games Begin...

INFLATABLE FUN FEST

The big day of Homecoming was Saturday, October 19th. It kicked off with some quality tailgating at North Campus before the big game. Everyone donned their "Hoe Down" gear and had a great time partying before the real kick off. Once everyone's spirit was elevated to a UNH record the Charger Football Team showed UMass-Lowell how to square dance to perfection with a 69-21 win.

Above: Since when did they give guns to pledges?

Right: Oh Debbie! Ooh la la!!

Feelings about Homecoming:

Latia Jacobs

"Being an RA, my homecoming was cut short and I was locked down."

Dominic Tangorra
Rich Dove

"Hooray for tailgating! Tailgating was really fun. Go Chargers!!"

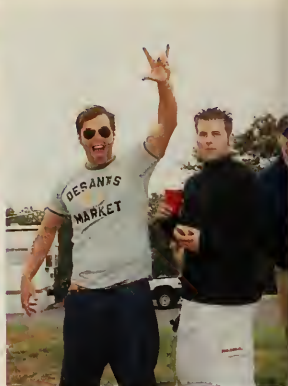

Sarah Nestlen

"Homecoming was fun because we won... even though it was raining."

Dwayne (D-Rich) Richardson

"It was good but more school participation would have made it better."

ARTS AND SCIENCES

The College of Arts and Sciences is an assorted group of people of approximately 700 undergraduate and 600 graduate students. There are over 70 full-time faculty members. The college is composed of 14 departments, offering over 40 undergraduate and 10 graduate programs and concentrations. The College of Arts and Sciences aims to offer students the opportunity for a liberal education through courses and programs designed to appeal to a wide range of interests. Programs are offered leading to a Bachelor of Arts degree, the Bachelor of Science degree, and the Associate degree in Science, in addition to a number of certificates.

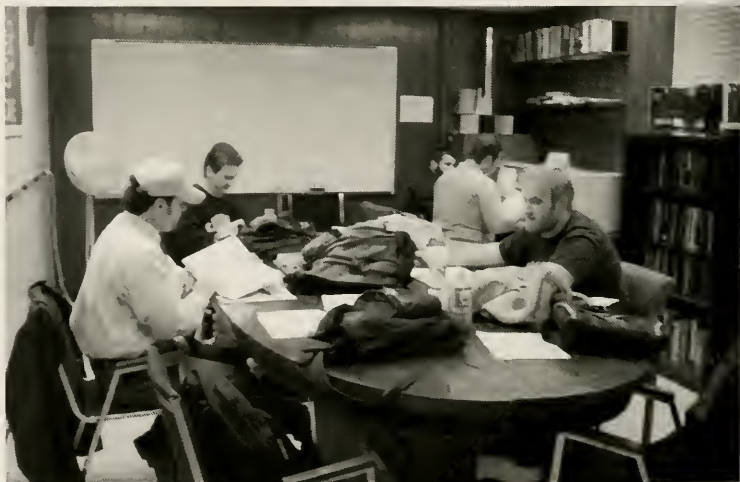

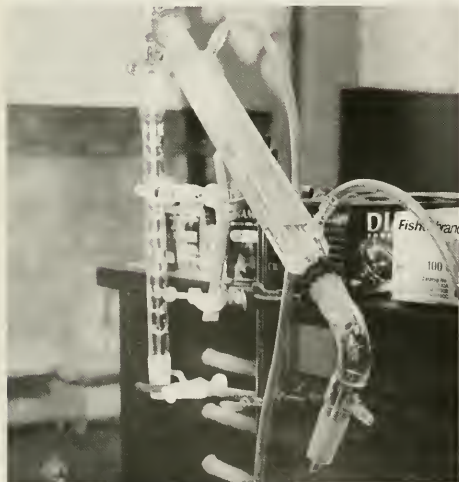

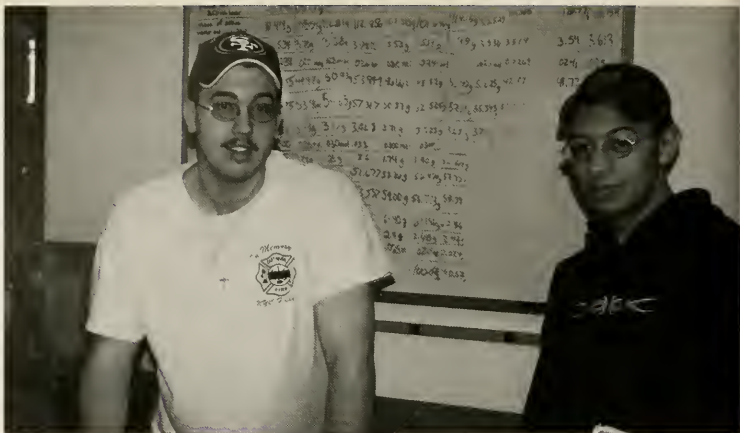

O F

BUSINESS

The business program at UNH offers students a wide variety of degrees to choose from. The accounting department is responsible for courses in accounting, business law and taxation. While the study of accounting has its roots in economic theory, the courses emphasize practical application to real world problems. The department of management offers degree programs in the following areas: Associate in Science degree program in business administration and Bachelor of Science degree programs in business administration and management of sports industries, along with minors in business administration, management and entrepreneurship. Economics courses provide a basis for an understanding of economic structures, a wide range of domestic and international issues and trends in the economic life of modern societies. These courses offer training in analysis of economic problems as an aid to the evaluation of economic policies.

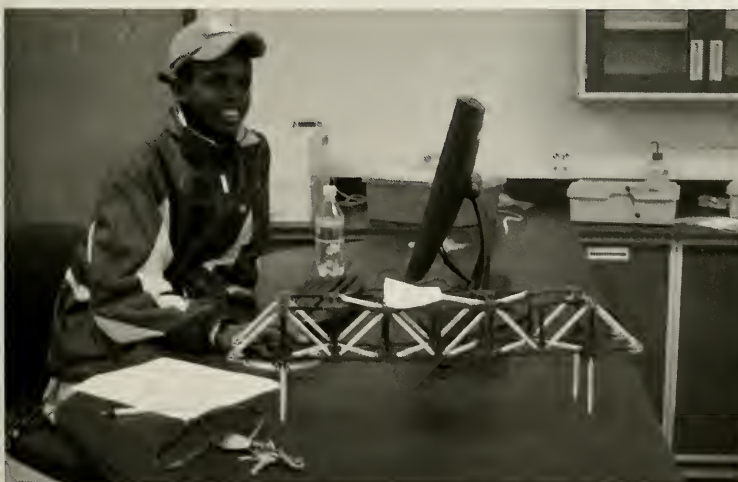

ENGINEERING

The mission of the School of Engineering and Applied Science is to provide quality, career-oriented education to students through the development of sound fundamental engineering principles and specialized skills. With five undergraduate Engineering programs and one in Computer Science nationally accredited at the highest possible level, the School of Engineering and Applied Sciences is the only Connecticut college or university to have achieved this status. Now, the school has received additional acclaim: US News & World Report has ranked the UNH B.S. degree in Chemical Engineering program as one of the five best in the country.

HOSPITALITY AND TOURISM

The Tagliatela School of Hospitality and Tourism offers undergraduate degrees in two areas: general hotel and restaurant management, and tourism administration. The school is dedicated to academic excellence through study, teaching and research in the fields of hotel, restaurant, tourism and dietetics within the United States and around the world. The school provides a strong foundation for professional careers and seeks to prepare graduates for leadership, professional excellence and lifelong learning. The curriculum is designed to strengthen the student's ability to manage, to communicate and to reason in a diverse and complex workspace. Graduates of the school furnish the managerial talent needed by hotels, resorts, healthcare institutions, private clubs, restaurants, governmental tourism agencies, destination management firms and corporate travel companies.

PUBLIC SAFETY

The School of Public Safety and Professional Studies provides educational services for students who wish to major in degree programs specifically oriented toward career paths in aviation, occupational safety and health, criminal justice, forensic science, fire science and arson investigation, corrections, paralegal studies and related programs. The school provides a broad professional education which often incorporates classroom learning with laboratory and field experience. The school attracts students of varied ages and levels of experience, from recent high school graduates to seasoned industry professionals. It also services professionals seeking programs designed to meet requirements of national and/or regional accreditations and licensures.

USGA

The Undergraduate Student Government Association (USGA) is an organization comprised solely of students. The USGA is comprised of twenty senators, twenty club and organization representatives, four class representatives and a representative from each of our four medias. The executive board of the student government consists of a President and Treasurer, elected by the student body, Vice President, Executive Assistant, and Sergeant at Arms, who are all appointed. Together we meet weekly to discuss the ideas and concerns of the student body. We address these ideas with the administrators and attempt to create an open relationship between the student body and the faculty and staff. Beyond that, the USGA and its members are responsible for the funding of most of the events on campus. Ultimately, the USGA is responsible for creating an enjoyable atmosphere for the student body as well as opening the gates to the future by "Preparing Others to Lead".

Alpha Lambda Delta

Alpha Lambda Delta is a National Honor Society that recognizes outstanding college freshmen. The Society's goal is to encourage academic excellence and participation in community service (both on and off campus). Upon the completion of their freshman year, members are invited into the Society, but this invitation depends upon a 3.5 cumulative GPA. In 1984, ALD was started at the University of New Haven and has remained an active organization on campus. The Society has received the gold award from the National ALD Honor Society for its outstanding membership. This year, ALD plans to collect food donations for WHEAT, run the Toys for Tots Christmas Toy Drive, participate in UNH activities, volunteer at the Boys & Girls Club and various other community service activities.

American Criminal Justice Association

The American Criminal Justice Association (ACJA) is a national professional and pre-professional organization with the goals of technology, training, and service for the benefit of the criminal justice system. UNH's local student chapter of the ACJA is the Psi Omega chapter of Lambda Alpha Epsilon. LAE offers students a variety of activities including community service as well as the opportunity to meet and work with practitioners in the fields. Students also meet others with similar interests and are eligible to participate in regional and national programs and activities. This year LAE had the opportunity to go to the national conference held in Orlando, FL to compete against other schools from all over the country.

President: George Franek, Vice President: Tracy Lausch, Treasurer: Danielle Lutz, Secretary: Sarah Nestlen, Sergeant at Arms: Bill Tomaszek

Astronomy Club

The Astronomy Club was started earlier this school year in an effort to encourage an interest in astronomy among the student body. Activities included stargazing, full moon viewings, galaxy week, trips to the IMAX Theater and New York City for the Hayden Planetarium.

President: Michael Loesch, Vice President: Nicholas Getter, Secretary: Victoria Aquino, Treasurer: Amanda Frohwein, Lenora Shipman-Clarke, Jennifer Provost, Jodi Gee, Latricia Hazen, Analee Alderete, Brian Yezak, Kristen Doyle, Jessica Binns, Marc Cohen

A-Team

The Admissions Team of the University of New Haven gives tours to prospective students and their families seven days a week. The organization enjoys passing on crucial information during tours that will make a lasting impression and have a profound impact on the prospective student's decision to enroll at the University. Aside from giving tours, the "A"-Team also hosts overnight student guests, assists with STAR days, Open House, and other specially scheduled tour days throughout the year.

President: Jessica Binns, Vice President: John Lafaro, Executive Assistant: Tiffany Toom, Treasurer: Brian Maeder, Sergeant at Arms: Brendan Murphy

Black Student Union

Working towards the goal of diversity and understanding people of different races, BSU has been an important part of the UNH community for over 24 years. The BSU is an organization whose focus is Unity. The main purpose of the Black Student Union is for its members to learn about their culture and then educate the community. Throughout the year, the BSU sponsors events such as Black History Month, information tables, fundraisers, guest speakers, and community service for the homeless and children. The BSU is open to all students no matter what race or color.

Brother to Sister

The goal of Brother to Sister is to get as many UNH students as possible involved in discussing social and academic issues at the University of New Haven. We also organize events on and off campus, that benefit both our campus and the Greater New Haven area. The club consists of a male and female branches, with their own E-Boards. In order for both branches to function as one, the entire E-Board meets before each club meeting. In order to give everyone a chance to speak his or her opinion each member is required to host a meeting and present a discussion topic.

Caribbean Student Association

The Caribbean Student Association was established to unite all people of the West Indies Heritage. The founders of the club felt that their culture was not being recognized at the university. CSA promotes bringing different groups of students together to participate in and learn about the Caribbean culture. Our mission is to unite the minority students of UNH and to promote school spirit.

Charger Pep Band

President: Lacey Lemons, Vice President: Trish Hazen, Secretary: Meagan Seeba, Treasurer: Eileen Ditty

The Charger Pep Band is in its 6th year and going strong. They have received a great deal of university recognition and support and have been very successful. They have been active at Charger sporting events such as football and basketball games. Although small in number, the Pep Band shows musical support for the university in big ways. They have traveled to one away football game each year. Recent destinations include North Carolina, Philadelphia, and most recently Minnesota. Since its inception in 1997, the Pep Band has won the annual homecoming float contest each year and has no plans of stopping!

Communications Club

The Communication Club deals with all aspects of production. The members videotape on-campus events and in-studio productions including a weekly news show and a variety show. The club helps students who are working towards degrees in the field as well as students who have a strong interest in communication. It provides hands on experience to help students become familiar with filming, audio, editing, and directing. The shows produced by the club are aired on the University of New Haven's channel 14.

Advisor: Paul Falcone, President: Keneisha Beckett, Vice President: Dawud Hanif, Secretary: Melanie Morgan, Treasurer: Ashlea Bonds

Fire Science Club

Well, we've had a great year with a great group of people! Some events we've done include: Homecoming float and tailgating, repainting the club rock, the trip to the FDNY Fire Zone, guest speaker Tim Brown, Alcohol awareness Doc-u-Drama, and plenty of other trips and speakers. Special thanks to the advisor, Chief Bob Massicotte. Farewell and good luck to all of our seniors! Be safe!

President: Tom Hughes, Vice President: Brian Maeder

Forensic Science and Chemistry Club

The University of New Haven's Forensic Science and Chemistry Club is a student organization for all those who are interested in academics or occupations in fields related to chemistry and/or forensic science. The club has events and activities throughout the year to broaden the learning experience and enhance studies. The club holds many activities on and off campus. Also, the club offers an opportunity to build relationships with fellow students and develop organizational and social skills essential for the workplace. The FSCC is affiliated with both the American Chemical Society and the American Academy of Forensic Sciences. For the 2001-2002 academic year, the FSCC was rated the University of New Haven's number one club on campus. The Forensic Science and Chemistry Club is looking forward to another successful year in 2002-2003.

President: Amanda Frohwein, Vice President: Jess Binns, Treasurer: Victoria Aquino, Secretary: Latrica Hazen, Sergeant at Arms: Lenora Shipman-Clarke

Gay, Lesbian, Bisexual, Straight Alliance

The GLBSA is open to all students who wish to fight homophobia and promote tolerance and diversity at UNH and within the community. Annual events sponsored by the GLBSA are National Coming Out Day on October 11, World Aids Day on December 1 and the AIDS memorial Quilt. The GLBSA attends conferences in the spring in order to network with other likeminded students and to generate ideas for the following year's activities.

Great Outdoors Club

The Great Outdoors is for everyone interested in being outside and close to nature. We operate through an online group allowing for easier contact between members without weekly meetings. We do everything from hiking to whitewater rafting and pumpkin carving. If you like being outside, you should be part of the Great Outdoors!

President: Irina Geiman, Vice President: Jacob Long, Treasurer Alana Danois, Secretary: Kristen Gaulin

Inter Fraternity Sorority Council

The Inter-Fraternity Sorority Council is the governing body over the six social Greek organizations on campus. It is composed of two representatives of each organization and five executive officers. The six social Greek organizations are Alpha Kappa Psi, Chi Kappa Rho, Delta Chi, Delta Epsilon Beta, Delta Sigma Alpha, and Kappa Gamma Rho.

President: Jay Klein, Vice President: Brian Severs, Secretary: Brenda Diaz, Treasurer: Chuck Ilioff, Sergeant at Arms: Eric Cornell

International Student Association

The International Student Association has both UNH graduate and undergraduate students as members. The ISA organizes parties and the Annual International Festival. The ISA is an organization of members from over fifty countries.

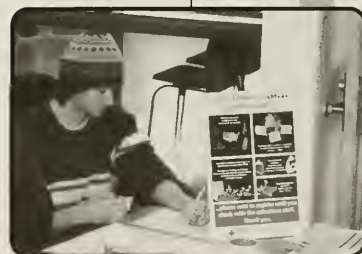

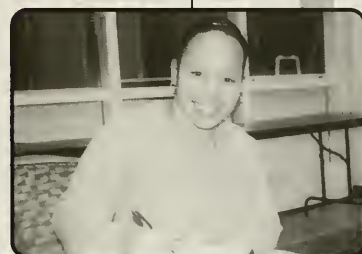

Latin American Student Association

We are a group of Latino students who have come together to collectively work toward the assurance of progressive unity, mutual support, and a commitment in seeking solutions to the needs and problems of all current and future Latino students at the University of New Haven.

Music and Entertainment Industry Student Association

MEISA is the Music and Entertainment Industry Student Association. Open mic nights, music themed movies, small concerts, the battle of the bands, and rock and roll week are the events and type of events we do. We also assist setting up and working soundboards for other organizations and events on campus. There are students from each music degree offered at UNH in MEISA along with a few communication majors as well. In the near future we hope to set up a UNH record label and provide much more music on this campus.

President: Nick Masciotti

National Society of Black Engineers

NSBE is a national non-profit student organization that is composed of six regional areas. It focuses primarily on encouraging minorities to better their education and academic skills through interactive discussions, open forums, and skill building games. It involves members in NSBE and UNH related events and also educates them in NSBE history.

Organization offers opportunities for scholarships, internships, co-ops, and careers through networking at regional and national conferences.

Paranormal Investigations and Research Organization

President: Sarah Nestlen, Treasurer: Irina Geiman,
Secretary: Ralph Marguy

The Paranormal Investigation and Research Organization focuses on the scientific aspect of paranormal occurrences and seeks to find the truth behind them. This year PIRO discovered another organization like them based out of Penn State, known as the Paranormal Research Society, or PRS. They hosted a paranormal conference in October which PIRO attended and plans to co-host next fall. Halloween yielded a few more events from a piñata to I Bet You Will. The major event of the spring semester will be Paranormal Awareness Week, in March, featuring workshops and speakers.

Students Making an Impact on their Living Environment

SMILE (Students Making an Impact on their Living Environment) is dedicated to providing community services to the local area and the UNH campus. We enjoy participating in events such as Habitat for Humanity, Boys & Girls Club, and WHEAT. Our biggest event of the year is the Multiple Sclerosis Walk.

President: Kate Colafrancesco, Vice President: Shannon Bison, Treasurer: Jodi Gee, Sergeant at Arms: Brendan Murphy, Secretary: ChrisAnne Pilletere

Sports Management Club

President: Ken O'Brien Vice President: Milton Johnson,
Secretary: Blair Livingston Treasurer: Courtney Raymond

The Sports Management Club is not only for athletes; it is for anyone who enjoys sports and hopes to one day be a part of a sports franchise. Sports Management at the University of New Haven does not solely encompass sports, but also the business aspect of sports. To observe the operations and maintenance of stadiums the club has taken trips to Giants Stadium, Madison Square Garden, and Continental Arena. Guest speakers from all aspects of the sports industry are frequently invited by the club to share their insight. The Sports Management Club also holds food and clothing drives for those in need.

UNH Gospel Choir

The Gospel Choir is a group of students sharing their talents by singing gospel music. The choir has sung on campus as well as off-campus at many different churches in Connecticut, New York, and Massachusetts. Its focus is to spread the gospel ministry through song.

President: Jasmine Hall, Secretary: Nicole Crawford,
Treasurer: Melissa Surpris

UNH Harmonies

The UNH Harmonies is comprised of a group of students who simply like to sing. We use our voices as instruments, the group performs acapella. Some of the events the Harmonies participated in this year are home football games, the 9/11 memorial services, the International Festival, and May Commencement.

President: Samantha Metje, Secretary: Sarah Nestlen, Treasurer: Irina Geiman, Megan Carriero, Erika Hendren, Ginger Voisine, Stephanie Wehmann

Charger Bulletin

We at the Charger Bulletin would first like to thank all of the contributors and readers that have helped us to make this year a success. When we signed up for the job of running a weekly newspaper, we had no idea of what to truly expect. We would be less than honest to say that the task was a simple one, because it was not. However, we did have a great deal of fun, and learned some very valuable lessons in the process.

We are proud of the experimentation and the changes we incorporated into the Charger Bulletin that helped to increase its readership. We are also proud of having published the very first editorial edition in the history of this fine paper, and make no apologies for exercising our right to freely express ourselves.

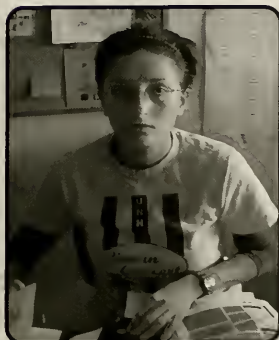

Our predecessors taught themselves the computer programs, figured out how to generate advertising, and stayed in the office more than forty hours per week; we faced the same challenges and more. We worked tirelessly, while balancing full class schedules, to produce a quality publication that would be appreciated by the readers. We enjoyed seeing students, faculty, and staff reading the Charger

Bulletin, or knocking on our door to ask if the latest publication had reached the stands.

Working for the Charger Bulletin is an experience like no other, and we definitely recommend the challenge to anyone willing to give of him or herself, to make a difference in the lives of others, and to accept a great responsibility.

The Charger Bulletin would like to thank the Fall 2002 Editor-in-Chief Jennifer M. Faer for producing the very first manual that not only outlines each position and the associated responsibilities, but also provides step-by-step assistance; this will definitely make the job easier for those who will lead the paper into its future glory. We would also like to thank an awesome staff of passionate writers; Marcus, Broderick, Tamya, Arlie, Al, Connie, and Meghan you all made the insanity much more tolerable. Thanks to Marilyn, Kelly, and Connie for being there whenever we needed to talk something through. A special thanks goes to the Ladies at Jazzman's for the coffee, the maintenance men for keeping our office tidy, and to all of the students and professors whose feedback and criticism helped us to make change happen not only in the newspaper, but also on campus.

Chariot Yearbook

Irina Geiman, co-editor

Silvia Hyde, adviser

Rebekka Fross, co-editor

The Chariot has taken the yearbook to a new level this year. In past years we've followed the standard procedure in recording the daily events that portray the year as a whole and enter them into a book that will probably sit on a shelf for the next twenty years and when your memory starts to fade you pull the 164 page book down, dust it off and begin to recollect. Well, I can assure you that we have done the same this year, however, we have added a supplement to the book. Not just any supplement, like the usual 20 page insert of the remainder of the year, but something we like to call an Interactive Memory by the way of CD-ROM. The cd supplement accompanying the book contains everything from individual students' 15 seconds of fame, the com-

munication club's taping of important events, to random footage shot around campus during the spring semester. We hope you find the book and CD enjoyable and meet your expectations of preservation of memorable events that occurred in the 2002-2003 year. The inside cover of the book is sporting a new technological advancement this year that allows you to store your supplemental cd on its own little pronged holder so when you take it down in twenty years you'll still have it even if the technology doesn't exist to play it anymore. Enjoy. Thanks to our staff and good luck in the future.

PS. To get it straight and in writing, this is Volume 40 (in Roman numerals: XL)

SCOPE, the Student Committee On Programming and Events (or something like that), is responsible for bringing entertaining activities to the UNH community throughout the school year. Some of the activities that are put on include movie nights, trips, theme weeks, and our annual Spring Weekend, where we bring in some of the nation's best music acts, as voted for by the student body, for a concert. Membership in SCOPE has flourished this year, and participation in the committee has been higher than it has been in several years. Members have been working hard recruiting new members and promoting new events. Some of the year's highlights during 2002-2003 include the Redman concert, our inflatable fun festival, Spring Weekend, and NACA. Thanks for the great year!

Since 1973, radio station **WNHU 88.7 FM** has been broadcasting from the University of New Haven campus. With 1700 watts of radiated power, **WNHU** broadcasts 30 miles in every direction, and is one of the most powerful college stations in America. **WNHU** exists to give UNH students a taste of the music world in a Non-Commercial Educational environment. Many students utilize **WNHU** to get jobs in broadcasting and the music industry, while also have fun spinning great music for millions of people every year.

Originally **WNHU** was located in UNH student center. After about ten years, it was decided that the student center was far too visible of a location. Thus... **WNHU** was cast into the haunted basement of Maxcy Hall. The primary reason for **WNHU** ending the broadcast every night at 2:00 is that the ghosts start acting up around that time, and many a disc jockey were lost as a result. It is felt that most students are afraid of these ghosts, which explains why most of the UNH community

never ventures into **WNHU**.

Today, **WNHU** serves up many different styles music programming. Starting with Jazz and Old Time music in the morning, turning into New Music with punk, emo, indie rock, garage rock, electro-rock, ska, hard-core, and wide varieties of experimental music. **WNHU** also carries numerous ethnic programming, blues, classic rock, and reggae. On Saturdays, **WNHU** plays thirteen hours of metal and hardcore, mellowing out on Sundays with Folk and Gospel music.

Unlike every other student activity on campus, **WNHU** operates year round, hand in hand with the community and the music industry. **WNHU** is a job, an activity, a club, and a responsibility. For almost thirty years, **WNHU** has been Connecticut's sole alternative source, because real people make real radio. Plus we're the coolest kids on campus.

CENTER RIGHT: Mr. and Mrs. Bartels.

BOTTOM LEFT: Students look on during the speeches before the unveiling.

BOTTOM RIGHT: A few of the people who attended the dedication.

Over the last few years the Student Center has been undergoing extensive renovations to bring the building into the 21st century instead of the 1960s look it's donned since then. This year, the Student Center was dedicated and renamed to become the Bartels Hall. The renovations could not have taken place without the generosity of Mr. and Mrs. Bartels. Besides donating money for renovations, the Bartels have also donated money to many clubs and organizations that exist at the University of New Haven. The students and faculty of the university would like to extend our gratitude to Mr. and Mrs. Bartels for all that you've done for us. Thank you.

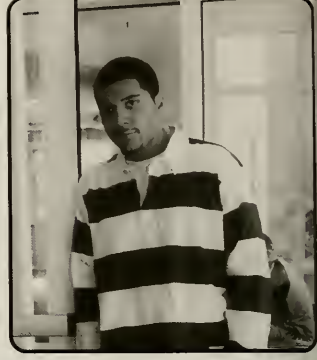

BEANHOUSE

Beanhouse is a monthly event, co-sponsored by MEISA and SCOPE, that attracts many talented students as well as onlookers. The Beanhouse is an open-mic night giving free reign to those adventurous to get their word out, show off their skills, or just plain entertain.

Alpha Kappa Psi AKΨ

Alpha Kappa Psi is a professional co-ed business fraternity at the University of New Haven. AKPsi is a national organization with over 170,000 members. Its UNH chapter was established in September of 2002. AKPsi attends local and national conferences throughout the year, including the Success Institute, Chapter Training and the Fall Symposium. The UNH chapter hosts professional events featuring speakers from the business field. It also does community service both on and off campus, and sponsored activities during AIDS Awareness Week. Besides that, AKPsi donated resource books to the library.

Friendship is a value that all of our members uphold within the organization, as well as on the outside in the community.

Life is a competition. Be on the winning team.

Delta Epsilon Beta ΔEB

In the fall of 1998, ten girls decided to begin a new sorority at the University of New Haven. On December 5, 1998 the first pledge class of the Gamma chapter of DEB was inducted. Thus began the legacy of DEB at the University of New Haven. The sorority is primarily involved with issues concerning women and children. DEB participates in events on campus such as their annual "Sleep Out For the Homeless," which is hosted in order to raise money for the homeless. The sorority also helps the community by volunteering in soup kitchens and participating in events such as "Adopt a Family."

Delta Chi

ΔΧ

Delta Chi is a national fraternity dedicated to a brotherhood designed to promote friendship, develop character, advance justice, and assist in the acquisition of a sound education. Delta Chi was founded in 1890 at Cornell University as a law fraternity and became a general social fraternity in 1909. In 1929, Delta Chi became the first fraternity to officially abolish hazing. The New Haven Chapter was founded on October 17, 1981. This year the New Haven Chapter attended the 53rd International Convention in Orlando, Florida where the chapter received nine national awards, four of which were given to individual brothers. The New Haven Chapter was awarded Most Money Raised, Outstanding Alumni Board of Trustees, Outstanding Financial Planning, Outstanding Community Service Program, and Outstanding Membership Recruitment. Brothers Rob Waltz received the Delta Chi Valor Award, Brian Severs received the Education Foundation Scholarship, Jason Klein received "C" of the Year Award, and Shawn McCoy received the "E" Key Award which is the oldest award in the fraternity history.

Brothers For Life

Kappa Gamma Rho KGR

The Kappa Gamma Rho Fraternity is the newest fraternity on the UNH campus. It was founded on April 16, 1997. The intentions of the fraternity are to support the surrounding community and the University of New Haven. Kappa Gamma Rho works with the university administration, various campus organizations, and the local community in promoting happiness and well-being, equality, and diversity. Within the fraternity, members strive for the betterment of the individual and strongly believe in the goals of brotherhood and teamwork.

"Life is a gamble but you have to learn to play it right."

Chi Kappa Rho XKP

The Chi Kappa Rho sorority started the Greek System at the New Haven College, which later became the University of New Haven. Chi Kappa Rho sorority was founded in 1963 by Virginia M. Parker and now is the oldest sorority on campus. Chi Kappa Rho believes in promoting a better understanding and a closer friendship among women at the University of New Haven. XKP is a Secret Sorority that thrives on community service. Our biggest event of the year is the Annual Fashion Show, which started in 1965, and benefits the Virginia M. Parker Scholarship. Other events include: Annual Pie Throw Contest, Sweetheart Ball, numerous socials, and help with the Alumni Ball.

Daniel Luque

Daniel...

One radiant morning, May 15, 1979, I was blessed with a beautiful baby boy. Your strength, tenacity, and love of sports made you an excellent athlete as well as a very good student. Your high moral attributes, your warm heart and friendliness will be the ticket to your success. I am very proud of you and your accomplishments. Always remember GOD along the way...

With All My Love For You,
Your #1 Fan
MOM

Gemia Lloyd

To GiGi:

No Mother could have asked for a better daughter. No grandparents could ask for a better granddaughter. No uncles could ask for a better niece. We've known from birth that you would make it. Keep up the good work and may God continue to always bless you. Remember to keep God first in your life and he will never give you more than you can handle. Love always,
Amma, Drandpa(R.I.P.),
Uncle Lonnie Flavious, and David, and Mommy

MY DEAR DAUGHTER, I LOVE YOU
AS YOUR MOTHER AND YOUR FRIEND

YOU HAVE COME OUT OF A TIME MINGLED WITH PROBLEMS
WISER, HAPPIER, AND SO MUCH SMARTER.

I AM SO PROUD OF THE WAY YOU HANDLED YOURSELF
THE WAY YOU THOUGHT OUT THE PROPER SOLUTIONS AND
THE STRENGTH YOU USED IN FOLLOWING THROUGH.

I NO LONGER HAVE TO WORRY ABOUT YOU.
YOU ARE VERY CAPABLE OF LEADING
YOUR OWN LIFE AND I KNOW ANY
DECISIONS THAT YOU MAKE
FOR YOURSELF WILL BE RIGHT.

YOU ARE A WONDERFUL PERSON AND A BEAUTIFUL DAUGHTER!
I LOVE YOU DEARLY, AS YOUR MOTHER
AND I ALSO LOVE YOU,
AS YOUR FRIEND.

LOVE ALWAYS!!!

My sister Shamica is a great role model. So far she has succeeded in life to a great extent. I'm proud to call her my sister. I hope that someday I can grow up to be just like her. Unfortunately these days young black females don't amount to very much. I'm glad to say my sister does not fall under that category. That's why I love her so much.

Congratulations to Shamica Nurse on her graduation.

Jennifer Faer

You were a wonderful little baby and developed your own independent personality at an extremely young age. You loved everything living so much and are such a good person that everyone around you is happier and more fulfilled for you being there with them. Remember the little squirrel that you fed peanut butter on crackers to and the moth that you trained that would always return to the little box he lived in.

You are a beautiful, intelligent, and caring person and we love you very much and are very proud of you.

We Love You,
Mom and Dad and Sammy

I'm so proud of you!

You have worked so hard and done so well, and you have grown into such a beautiful person in every way. I couldn't be prouder.

"I hope you still feel small when you stand beside the ocean

Whenever one door closes I hope one more opens

Promise me that you'll give faith a fighting chance

And when you get the choice to sit it out or dance

Dance... I hope you dance."

I wish you health, happiness, love, success, and peace.

So much love,

Mom

This chapter in the book of my life has closed and I have already begun to write the next. I have accomplished a great deal in a small amount of time because I realize that life has so much more to offer to those who choose to make an impact rather than be impacted.

Now that I stand where I was once told I would not, I say to those who doubted not to do so again, next time I will not be understanding.

I give my eternal gratitude to my mother and stepfather whose assistance great and small has been of monumental value. I cannot forget my father and stepmother; you have both encouraged me and believed in me from the beginning. To my godparents I give thanks for the spiritual foundation; God has not failed me yet! To my sisters I impart this advice: if you build yourself first, then there will be much more to offer another; you will also be able to set your expectations much higher. Last but certainly not least to my best friend and cousin Mike Foster: we both now stand where they dream of standing, and we have only just begun. Mom, Sophie and Jerry, thanks for the rides home. Do I owe you gas money?

Joshua Cloutier said in last year's book "every yearbook needs an afro;" I second that!

Kate,
From 1 to 21 you
have been a joy...
an inspiration...
a success!

The future awaits -
you have the power, the knowledge
and the determination to create the next chapter...
and it's going to be great!!

We are so proud of you.

To Shamica

There are those that give our lives meaning and purpose. There are those that make us smile when life becomes impossible and we can't smile for ourselves. There are some that are always strong and for us are a force to be reckoned with. Your pain makes them cry, and your joy makes them smile, then there are the ones with ears that hear and understand without your voice, but only need a glance from the soul, there are those who will rescue you from yourself, a moment before insanity, and there are sisters, which will be, show you, and share with you the love God has instilled in them.

**Congratulations

2003!**

**Have fun wherever

**From the Medias:
Charger Bulletin,
Chariot Yearbook,
S.C.O.P.E., & WNHU**

To the Class of 2003 and the University of New Haven,

So here's another year and another book, hopefully if we return in forty years Volume XL will still be sitting on a few shelves along with the books from 1963. The Chariot has made it through another long, but surprisingly quick journey to produce a book that hopefully sums up the year at UNH. This year we turned the tables on a traditional yearbook and accentuated it with an interactive CD supplement. We hope you all enjoy the book and CD and we apologize in advance for any errors contained within, which we will not be held accountable for. After all, it is only a yearbook. We had fun creating the book even through all of the trials and tribulations that encompass the production of every yearbook. We hope it brings back some fond memories from 2003, especially some of the ones you typically wouldn't have remembered.

To all those that helped us we extend our thanks to:

Bob Sasena: We definitely couldn't have done this without you. Thank you for answering the thousands of questions we threw in your direction. Without you we wouldn't have a book this good... or maybe one at all!

Silvia Hyde: We appreciate all of your hard work from proofing our pages in record time, to offering encouraging words every single time you saw us. Thank you.

Becky Johnson: We are very grateful for all you've done, especially helping us deal with angry parents.

Kelly McGill: Thank you for putting up with us.

Jason Sullivan: Without your help the sports section would not exist. Thank you for all the awesome photos.

Our yearbook staff: Most importantly we'd like to thank you girls, you all are definitely the best: **Analee, Krysta, Kristina,** and **Shannon.**

Jen, Tim, and the **Charger Bulletin:** Thanks for being great office mates and helping us out from time to time with pictures.

The University community: We couldn't have produced a book without any material, so to all of you we are grateful for being our subjects of interest.

Finally we'd like to congratulate the Class of 2003. Good luck and have fun wherever life takes you.

Volume XL Editors signing off,
